

Letter from a Master

Swami Sivananda inspired many spiritual seekers and devotees from around the world with his own personal correspondence

We are fortunate to be able to print a recently uncovered letter sent by Swami Sivananda over fifty years ago addressed to Mr Howard Williams in the UK.

'I cannot stop writing. I will write till I become blind. If I become blind, I will dictate and somebody will write for me. Thus I will continue my mission of dissemination of spiritual knowledge till the end of my life'
- Swami Sivananda
